

Utah Compose Information for Students

- **How do I access Utah Compose?**

Your teacher will provide you a user name and password. You will log in at www.utahcompose.com

- **Login Information:**

- **Username:**

SSID# with three zeros in front

- **Password:**

first initial, last initial, lunch number

or

lunch number (if the first initial, last initial did not work)

- **How can I practice writing using Utah Compose?**

1. To begin writing, click the **Practice** tab.
2. Select a prompt based on what your teacher has assigned.
3. Read the prompt carefully and decide if you would like to plan your writing using an online graphic organizer or begin typing a draft of your essay.
4. Click the **Pre-Writing** button to select and complete a graphic organizer. Click the **Begin Writing** button to enter your writing in the text box.

- **How will I receive feedback for my writing?**

You will click the **Portfolio** tab at the top. In the Performance section, click the **Student Averages: Trail and Total Scores** link. Click the **Date** link next to the writing you wish to review.

- **How do I revise an essay?**

1. On the home screen, locate the essay you want to revise.
2. Click on the **date** for that essay.
3. Once the essay pops up, click on the **revise** tab and begin revising your essay. Students have up to **30 revisions** per essay.
